We would like to congratulate Joe Ashton

on being elected our new Mayor

He has a bachelor of arts degree from the University of Alabama and is a graduate of Castleberry High School in River Oaks.

Ashton has served on the Northwest Tarrant YMCA Board of Managers; the City of River Oaks City Council, Place 4; President; the River Oaks Crime Control and Prevention District Board of Directors; as former Director and Vice President of the River Oaks Economic Development Corporation; and as Secretary of the Regional Coordination Committee for the Naval Air Station Fort Worth Joint Reserve Base and is currently City Manager for the Town of Pantego.

Joe will be sworn in on November 17th, at City Council Meeting.

GENERAL ELECTION: The City Council adopted Resolution 1022-2020 on July 28, 2020 calling this year's general election to elect a person for Mayor and City Council Member Place 5. **The unofficial election results from Tarrant County are as follows:**

NAME	PLACE	VOTES	PERCENT
Joe Ashton	Mayor	1829	100%
Dan Dagel	5	693	35.98%
Dan Chisholm	5	1233	64.02%

SPECIAL ELECTION: The City Council adopted Resolution 1023-2020 on July 28, 2020 calling a special election to fill the unexpired term of Place 4 City Council Member on the November 3rd Election. **The unofficial election results**

NAME	PLACE	VOTES	PERCENT
Yolie Rodriguez	4	1172	58.02%
Charles Richardson	4	848	41.98%

For the safety of our residents we are still encouraging the use of the drop box out in front of our building or to pay online at our website: www.riveroakstx.com and click on payments.

The World Day of Remembrance for Road Traffic Victims (WDR)

November 15th, 2020 we remember the millions killed and injured on the world's roads, together with their families, friends and many others who are also affected. It is also a Day on which we thank the emergency services and reflect on the

World Day of
Remembrance
for Road Traffic
Victims

tremendous burden and cost of this daily continuing disaster to families, communities and on ways

Road deaths and injuries are sudden, violent and traumatic events. Their impact is long-lasting, often permanent. Each year, millions of newly injured and bereaved people from every corner of the world are added to the countless millions who already suffer. The cumulative toll is truly tremendous.

This special Remembrance Day is therefore intended to respond to the great need of road crash victims for public recognition of their loss and suffering. It has also become an important tool for governments and those who work to prevent crashes or respond to the aftermath, since it offers the opportunity to demonstrate the enormous scale and impact of road deaths and injuries and the urgent need for action.

CEASE THE GREASE

Fats oils and grease (FOG) come from meats, butters, lard , food scraps, sauces, dressings, dairy products and cooking oil.

When Fog goes down the drain, it hardens and causes sewer pipes to clog. This can lead to a sanitary sewer overflow where raw sewage actually backs up into your home, lawn and streets. It can lead to a nearby stream or river, which affects our drinking water.

- Scrape food scraps, oil, grease and sauces from plates and utensils into the trash and dispose of them properly.
- Don't pour oil or grease down the drain or garbage disposal.
- Check to find out if your solid waste service accepts used cooking oil.
- Learn more about water quality in Texas through the TCEQ's TMDI Program
