## Residential Garbage Schedule Change

Due to the extreme heat, we will temporarily be starting residential garbage collection at 6:00 A.M. daily. Due to the short notice our crews will go back over the routes daily in order to get any late set outs, but please try to have your garbage set out at the curb by 6:00 A.M. We apologize for any inconvenience this may cause, but protecting our employees during this heat wave has to be our primary concern.
