Yard of the Month Guidelines

The Yard of the Month program recognizes River Oaks residents who enhance the community through exceptional home and yard maintenance. The City of River Oaks Parks Board oversees the program and selects one winner each month from April through September.

- Yards are evaluated from the street based on overall appearance, creativity, maintenance, and curb appeal, with special consideration given to the use of native plants.
- All residential properties within the city limits of River Oaks are automatically eligible, whether maintained by the homeowner or a professional landscaper.
- Properties may only win once per calendar year (excluding holiday contests).
- Winners may be disqualified if their property is in violation of any city ordinances.
- Winners must agree to have photos shared on the City of River Oaks and Parks Foundation websites and social media accounts.
- Nominations are due by the last day of the month. The Parks Board meets on the first Thursday of each month and will vote to determine the previous month's winner (example: the Board will vote during their May meeting for the April Yard of the Month winner).
- Winners receive a yard sign and are recognized at the October City Council meeting.
