Subject: Water Utility Bill Payment Group Services

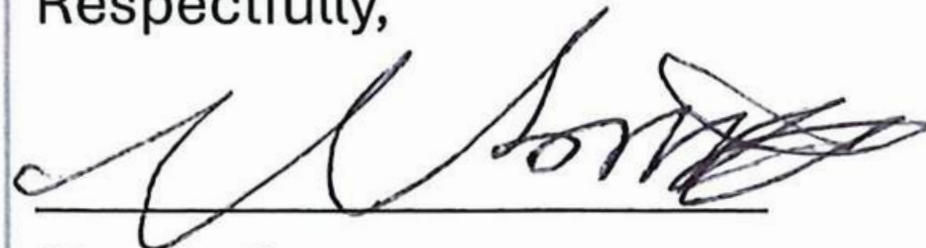

Due to recent improvements to our utility billing system, all water utility bill payment services through The Payment Group will be discontinued on February 1, 2026.

Customers can use our online self-portal to make payments, view bills, and set up auto-pay by visiting www.municipalonlinepayments.com/riveroakstx. When paying your water bill using the Municipal Online Payments service, you will be charged a convenience fee of 3.7%. Payment arrangements allow qualifying account holders more time to pay their bills.

Payments received via the drop box or through the municipal online payment system after 5:30 p.m. on the day before disconnection, will be processed the following day.

We sincerely regret any inconvenience this may have caused you, and we hope that your assistance helps simplify the utility payment process.

Respectfully,

Marvin Gregory
City Manager
City of River Oaks
