

## Household Chemical Waste

**THE CRUD MOBILE WILL BE HERE  
IN CITY HALL PARKING LOT ON**

**Saturday, April 18, 2026**

**9 a.m. to 11 a.m.**

*What waste is accepted at the Environmental Collection Center (ECC) and Crud Cruiser?*

The City of Fort Worth's ECC and Crud Cruiser mobile collection trailer accepts unwanted household chemicals, free of charge, from citizens of Fort Worth and participating cities.

**What's Accepted?**

Acids, aerosol cans, antifreeze, batteries (all kinds, including car batteries), brake fluid, cooking oil, craft chemicals, degreasers, drain cleaner, fertilizer, fluorescent light bulbs, herbicides, household chemicals, motor oil, paints & stains, paint thinners, pest strips, pesticides, pharmaceuticals, photo chemicals, pool chemicals, oil filters, solvents, transmission fluid and varnish.

**What's NOT Accepted?**

Ammunition, asbestos, building materials, butane cylinders, electronics, explosives, medical waste, PCBs, propane cylinders, radioactive material, smoke detectors, tires and TVs.

**Need More Info?**

If you have questions about a specific waste not listed above or call 817-392-EASY to find out if it's accepted.

**Additional instructions for disposing of waste:**

- If a product is still usable, give it to someone who can use it instead of bringing it for disposal.
- Bring a recent water bill as proof of residency. If you live in a participating city that requires a voucher, bring a voucher from them as well.
- Bring liquid paint sorted by type (i.e. latex, oil-based, and lead-based).
- Keep chemicals in their original containers; place broken or leaking containers in a second container of like material (i.e. glass for corrosives, metal for flammables).
- If a container has no label and its contents are known, please place a label on the container clearly stating the contents.
- Do not transport chemicals in the passenger compartment of your vehicle. Put them in the trunk.
