The River Oaks Water Department is auditing all utility accounts. If you are an occupant that is using an account that is in someone else's name, you will need to contact us. We are sending out letters to accounts that we know haven't been updated.

Currently we are updating all accounts to assist with the new emergency alert notification system **CodeRed** and to give the police department dispatch current contact numbers, in case of an emergency.

If you have lived at your address more than 5 years we are waiving the Certificate of Occupancy. We are waiving the \$15 service fee as well, you will just need to put down a deposit.

Distracted Driving Awareness Month

Just Drive

Though traffic has dropped significantly since the start of the COVID-19 pandemic, our roads have only gotten more dangerous. On a typical day, more than 700 people are still injured in distracted driving crashes. Talking on a cell phone – even hands-free – or texting or programming an in-vehicle infotainment system diverts your attention away from driving. Keep yourself and others around you safe and #justdrive.

During Distracted Driving Awareness Month in April help make our roadways and our people safer. Whether you're driving a forklift, semi-truck or just headed home after work, attentive driving is more important than ever.

Follow these safety tips for a safe ride every time:

- Need to send a text? Pull over and park your car in a safe location. Only then is it safe to send or read a text.
- Designate your passenger as your "designated texter." Allow them access to your phone to respond to calls or messages.
- Do not scroll through apps, including social media, while driving. Cell phone use can be habit-forming. Struggling to not text and drive? Put the cell phone in the trunk, glove box, or back seat of the vehicle until you arrive at your destination.

The River Oaks water department will be conducting work on the utility mains on Long Ave between Sheena and Jacksboro Hwy. The work will start Monday morning April 26th. In this project we will have the road closed from Monday the 26th until Thursday the 29th. Buyers Barricades will be setting up for the closure with all appropriate signs needed for detours and advanced notice of the roadway being closed.
