## MONEY MANAGEMENT PROGRAM

---

### **Dollars & Good Sense:**

#### **GSI Offers Financial Expertise**

Quite often, those we serve require assistance with their personal finances, such as help in organizing or paying their bills. These individuals are referred to GSI's Money Management Program.

Money Management services offer flexible alternatives to guardianship that safeguard vulnerable adults' financial security while preserving their personal freedom. Two new volunteer-driven programs will expand access to these and other GSI safety net programs in FY 2023.
