Peace Officers Memorial Day

This day is held annually in the United States on May 15th in honor of federal, state and local officers killed or disabled in the line of duty.

National Police Week occurs every May, and in 2022

In 1962, President Kennedy proclaimed May 15 as National Peace Officers Memorial Day and the calendar week in which May 15 falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

New Drop Box

The City has had installed a new night drop mail box on the west side of the City Hall. It is seamless so the payments will no longer get stuck and there is no risk of someone pulling out your payment. Payments will slide down easier if the envelopes are not folded or bent. Please make sure the account number is on your check/money order. The old night drop box has been removed.

Sewer Calculation

Residential Winter Sewer Averaging Each year the City of River Oaks averages the water consumption of the December, January, and February billing periods to recalculate sewer charges. These months are used because typically residents do not have a high outdoor water demand and are considered to be the lowest overall water use. The new winter sewer average goes into effect on the March billing and that will be the new monthly sewer charge for the next twelve months.
