RESIDENTIAL GARBAGE SERVICE ***UPDATES***

Due to the excessive summer heat, the city's residential garbage collection hours will be changing starting Wednesday, June 28th to start at 6:00 A.M. instead of the current 7:00 A.M. start time. We apologize for any inconvenience, but we have a responsibility to protect the health and safety of our employees.

Residents are now able to purchase trash cans and put them at the curb on garbage days. All household garbage must be put either in plastic bags or boxes not exceeding 55 pounds in weight placed at the edge of the street or as an option in garbage cans placed at the edge of the street not exceeding 32 gallons in size and must be removed from the street curb by 7:00 A.M. of the following day.

All brush and tree limbs shall be limited to one (1) pile per lot on each residential customer account when stacked in a pile not exceeding twelve (12) feet in length, four (4) feet in width, and four (4) feet in height which are stacked neatly with the larger diameter of the limbs facing in one direction for easy handling and will be collected on Wednesday twice a month beginning Wednesday, August 2, 2023 as designated by the Public Works Director.
