

June Yard of the Month

David and Susan Holder have called River Oaks home for 32 years, and their lush, oasis-like yard is a hidden gem tucked away in a quiet cul-de-sac off Club Oak Drive. Susan's green thumb shows in a yard with overflowing greenery, flowers and charm. Their yard holds decades of memories and continues to be a special place where new ones are made with the next generation of family and friends. A beautiful reflection of a life well-lived and deeply rooted in the community.
