---

As the last phase of the COVID-19 Needs and Resources Assessment, Tarrant County is seeking input from the community through surveys tailored to three audiences: residents, local businesses, and nonprofits. The data collected through the surveys will be analyzed and will help refine the final recommendations provided in IEM's Final Report, due at the end of January.

To help us gather as much feedback as possible, we ask you to please share the survey links provided below with your staff, constituents, and networking groups. Each survey is available in English, Spanish and Vietnamese, and will remain open through December 31, 2021.
