The City of River Oaks City Council has passed a request for a new app for utility payments. This app will allow for autopay or you can set up payment reminders.

This app is in the early stages but we are hoping it will roll out in late March or early April.

This is more than a payment portal, it also allows access to account information, past payments and bills, as well as water usage. Start service, service, update account and make service requests right at your fingertips.

We will send out more information as it comes available.

Go paperless, sign up for e-billing.

Round Up to Donate to the Friends of the River Oaks Animal Shelter at Walmart

What is Spark Good Round Up? Spark Good Round up is a program that allows Walmart.com and Walmart app customers to round up their purchase total to the nearest dollar at checkout and donate the "change" to a charitable nonprofit of their choice.
