Make sure your trees are trimmed

Low hanging tree branches can delay response times of fire trucks in an emergency.

Branches can damage equipment that has been purchased with tax dollars. The damage can increase the cost of insuring the vehicles; this could lead to a potential raise in city taxes.

You can also be given a citation from the Codes department for violation of the River Oaks Code of Ordinances: sections 12.07.031 and or 12.07.033
