Native American Heritage Month

November is Native American Heritage Month, or as it is commonly referred to, American Indian and Alaska Native Heritage Month.

The month is a time to celebrate rich and diverse cultures, traditions, and histories and to acknowledge the important contributions of Native people. Heritage Month is also an opportune time to educate the general public about tribes, to raise a general awareness about the unique challenges Native people have faced. Challenges being historically and in the present and the ways in which tribal citizens have worked to conquer these challenges.

It is with great sadness to report that one of our Telecommunications
Carol Stagner Gay lost her 18 month battle with cancer.

Please keep her family in your thoughts and prayers.

2. Include intentional moments of kindness to others in your daily routine.
3. Go slightly outside of your comfort zone at least once a day to make someone smile.

Help Keep Firearms Safe From Children!

The River Oaks Police Department participates in a nationwide grant from the U.S. Department of Justice called "Project Childsafe." Project Childsafe provided the police department with FREE gunlocks to distribute in our community. The purpose is to secure any firearms kept in the home and to keep them safe from children.

An unsecured firearm handled by an unsupervised and curious child can result in deadly consequences. Under certain circumstances, the parent of a child who gains unlawful access to an unsecured firearm may be charged with the crime of Making a Firearm Accessible to a Child, Texas Penal Code.

Gunlocks are available at the River Oaks Police Department Dispatch for anyone who is interested. Help us protect kids from accidental firearms injuries and deaths. Keep your guns and ammunition locked and away from children.

PUT WASTE IN ITS PLACE

Don't put fats, oil or grease down the drain.

It can cause pipes to clog resulting in costly repairs and environmental contamination. Collect them in a container and throw them in the trash.

Keeping your tires properly inflated can extend their life by almost 5,000 miles.

When your tires can no longer be used, recycle them.

Don't throw rechargeable batteries in the trash.

Recycle them at your local home improvement and electronics retailers.

Recycle used motor oil

The used oil from one oil change can contaminate one million gallons of fresh water a years supply for 50 people.

Each Texan generates about six and a half pounds of garbage each day.

Reduce waste by buying less. Purchase only what you need, by reusable products, avoid items with a lot of packaging.

The average household has 28 electronic devices.

Consider purchasing refurbished electronics. Also, donate used electronics or recycle these devices if they are no longer working.

If a collection opportunity exists in your community, take household hazardous waste such as used fluorescent light bulbs, drain cleaner and pesticides to a community collection site.

Items such as food, yard trimmings, paper, glass, metal and plastics account for over 80% of household trash

Make a huge impact by composting and recycling as many of these items as possible

We all get busy in our day to day life's...Just a little reminder about outdoor storage ordinance.

Items must be out of the view of the passing public.... Example/Merchandise for sale, tires, lawn mowers, vehicle parts, boxes, totes, ice chest, Indoor furniture, trash bags, Chemicals & supplies etc....

November 11, 2019 Veteran's Day

Firing on the First World War's Western Front ended on Nov. 11, 1918 at "the eleventh hour on the 11th day of the 11th month." After four years of fighting, an eerie stillness fell across the battlefields of Europe. The next day, Allied commander Field Marshal Ferdinand Foch sent a message to the Allied Armies: "You have won the greatest battle in history and served the most sacred cause - the Liberty of the World."

Celebrating the end of war soon turned to sober remembrance of all who were lost. Armistice Day, officially recognized by President Wilson in 1919, is still observed throughout the world with many stopping for a moment of silence at the 11th hour of this day to honor those who brought about the end of the "Great War." Known as Remembrance Day in many countries, the poppy is commonly worn and remains the symbol of commemoration originating from Canadian Lt. Col. John McCrae's poem "In Flanders Fields."

In 1954, after the return of veterans from both World War II and the Korean War, President Dwight D. Eisenhower signed a bill rededicating Nov. 11 as Veterans Day and encouraged Americans to commit themselves to the cause of peace and to honor America's veterans for their courage, honor, patriotism and sacrifice.

Last year on the eleventh hour on the 11th day of the 11th month marked the 100th anniversary of the day the guns went silent on World War I.

Veterans Day is a time for us to pay our respects to those who have served. For one day, we stand united in respect for you, our veterans.

We celebrate and honor America's veterans for their patriotism, love of country and willingness to serve and sacrifice for the common good.

They shall grow not old, as we that are left grow old: Age shall not weary them, nor the years condemn. at the going down of the sun in the morning, LEST WE FORGET.
