From Castleberry ISD

Three Castleberry ISD Elementary Students Advance to the Regional Spanish Spelling Bee

Students enrolled in Castleberry ISD's fourth or fifth grade bilingual program participate annually in a Spanish Spelling Bee competition. Each campus holds a preliminary competition to determine the three students from each grade level who will represent the campus at the district event.

A total of 18 students from Castleberry ISD's three elementary schools qualified for yesterday's District Spanish Spelling Bees held at the Gary S. Jones Administration building. The events were live streamed to the Castleberry ISD's YouTube channel and Facebook page for family and friends to watch.

The top speller from each grade level of the district competition is advancing to the regional spelling bee hosted by the Region XI service center on Friday, March 24.

Daleyza L., A.V. Cato Elementary, was crowned the fourth grade champion after correctly spelling (continued on page 5)

From the Trinity Regional Water District

TRWD Flyfest Returns to the Trinity River in Fort Worth March 11

TRWD Flyfest, an annual celebration of urban trout fishing, will be held on March 11 from 9 a.m. to 5 p.m. at the River Park Trailhead 3100 Bryant Irvin Rd. Fort Worth, TX 76109. This family-friendly event, sponsored by the Tarrant Regional Water District (TRWD), will take place in and along the Clear Fork of the Trinity in southwest Fort Worth. Admission is free.

To create an optimal experience for anglers, TRWD will stock the river with 1,800 lbs. of rainbow trout prior to the event just north of Bryant Irvin Road.

Whether you are an experienced angler or have never touched a fly rod, this fun-

filled event will have something to hook the whole family. Two of the event's biggest attractions are the Orvis Big Trout Contest and the Coffee & Caddis Fly Tying Area. Anglers will compete in the contest to catch the biggest trout or the most fish in the time allotted. Patrons can also learn new tricks and methods from professional fly tiers. Open fishing for fly and bait fishing will also be available in designated areas.

The event will also feature live music from local band Chattahoochee Music and many children's activities, including a mini stocked tank for fishing and a rock climbing wall. Food trucks, wine and craft beer and many outdoor vendors will make it a fun day for everyone!

Parking will be available for \$5 at the River Park Trailhead, 3100 Bryant Irvin Road, on the day of the event. For a parking map and other important event information, visit www.trwdflyfest.com.

Lady Lions Drop District Opener

One of the most successful athletic pro-
grams in recent years at Castleberry High
School has been soccer. Both the boys and
girls teams have been outstanding since the
programs began less than a decade ago.
The girls team opened the season as usual
with their accustomed success and a 6-1-1
record. They faced their first district game
at home versus Decatur. The Lady Eagles
came in with an average 4-4 record.
However, it was the Lady Eagles who
came away with the victory, with a surpris-
ingly dominant 6-1 score.

This was not one of the better played
games by the Lady Lions. They never
seemed to look or play in sync most of the
night. In the first 20 minutes of the first
half Decatur was the aggressor and con-
trolled the game. The Lady Eagles regis-
tered over a dozen shots on goal during this
time. Meanwhile, the Lady Lions best
opportunity for a goal came on a break-
away by junior Lesly Martinez Vega (#20)
but her kick sailed a little high and right of
the net. The constant pressure on the Lady
Lions defensively, especially on junior
goalie Iyalorde Gutierrez (#00), eventually
proved too great.

At the 19:12 mark of the first half
Decatur finally scored a goal and took a 1-
0 lead. About 6 minutes later (13:19), on a
long kick by a Lady Eagle, which barely
got passed Gutierrez, Decatur increased the
lead to 2-0. Castleberry managed two
more shots on goal. One by senior Sophia
Munoz (#3) and the other by sophomore
Joselyn Salazar (#9) but neither struck pay-
dirt. Decatur took that 2-0 lead into half-
time.

The second half began with the Lady
Lions on the defense once more. At the
24:34 mark, the Lady Eagles scored again.
This goal came after Gutierrez defended a
kick but when it slipped out of her hands
another Lady Eagle managed to knock the
rebound past her into the net. Decatur now
led 3-0. Five minutes later (19:32) they
increased that lead to 4-0.

The highlight of the night for the Lady
Lions came a minute later. Freshman Alexa

Rivera (#10) out ran two Lady Eagles
down the field to catch up with the ball on
a breakaway. She faced the Decatur goalie
one on one and rocketed a shot past her
into the left corner of the net. Her goal at
the 18:31 mark allowed the Lady Lions to
avoid being shutout.

Decatur scored two more goals before
the night was over. The last one was on a
penalty kick with 10:00 minutes remaining
in the game. This made the final score 6-1,
a very uncharacteristic start for Castleberry
in district play.

The Lady Lions at Bridgeport (Feb. 17).
They will not return home until Feb. 21
when they face Lake Worth (this is a
rescheduled game originally set for Feb. 3).

Go Lady Lions!

How to Be a Nurturing Plant Parent in Three Easy Steps

Plants add color, life and vibrancy to your home's indoor and outdoor spaces and can even improve indoor air quality. However, if you are new to plant ownership, you may be wondering how to make your foliage thrive.

Here's are three tips for healthier plants:

1. Make a move: Many plants that do well outdoors in the warmer months can't tolerate the cold, so don't wait for sub-freezing temperatures to bring planters indoors for the season.

Be sure to give your newly-transported plants the right amount of light. This may require using special grow lights. Keep in mind though that different types of plants thrive better with different color spectrums and intensities, so group plants under the right lights accordingly.

If your indoor air is dry in winter, you may find that misting the leaves of your warm climate and tropical plants will help provide needed humidity.

2. Prevent pests: Unfortunately, keeping houseplants often attracts insects that can harm them and bug you, but there are steps you can take to prevent a pest problem in your home. One important thing you can do is to be sure you are not overwater-

ing plants. Too much water in effect drowns plants. It can also create standing water that becomes a breeding ground for flying insects. You can also provide round-the-clock protection from fruit flies, gnats and flies by plugging a Zevo Flying Insect Trap into a regular outlet near your plants and wherever flying insects enter your home or gather. Rather than chemical insecticides, the traps use multi-spectrum light technology to attract flying bugs into a discreet glue sheet cartridge. When the cartridge is full, replace it and toss the used one without ever having to touch a dead bug.

3. Know your lifestyle and limitations: There are many plant species that while beautiful, don't require much care. So, if you're new to owning plants, consider starting out with lower-maintenance options, such as succulents or snake plants, because these plants don't need much water, they are also great options for those who travel frequently or those who are simply forgetful.

Have furry friends? Always check whether a given plant is toxic to pets before bringing one home.

Having a green thumb can seem like magic. However, with the right tools and knowledge, anyone can become a nurturing plant parent.

Pictured below: Fifth grade Spanish Spelling Bee contestants and teachers.

“seleccionados.” Ironically, as a contestant in last year’s third grade competition, Daleyza was defeated by this same word, and secured the runner up spot as a result. Now, another year older, and presumably with more spelling practice under her belt, Daleyza stepped up to the mic and said, “ese – e – ele – e – ce – ce – i – o – ene –

a – de – o – ese” like the champion she was crowned to be.

 - Vision • Employee Assistance Program
 - Educational Assistance • Direct Deposit • Vacation • PTO
 - Paid Holidays • Up to 3 Floating Holidays per Calendar Year
 - Company Paid Life Insurance, Short & Long-Term Disability, and Parental Leave

• Background/Drug Test Required • HS Diploma or GED Required

Fifth graders Jeremy C., Joy James Academy of Leadership, and Stephanie M., A.V. Cato Elementary, were the final two contestants competing to be crowned the fifth grade contest winner. Although the two went head-to-head for six rounds, ultimately, Jeremy was disqualified for misspelling the word “hipérbole.” Stephanie was crowned the fifth grade winner after she successfully spelled “enjaretar.”

Rafael N., a fourth grader at Joy James Academy of Leadership, who placed first in last year’s third grade district competition, is this year’s overall runner up for the district. The student spelled 12 words correctly on Tuesday, and will serve as the district’s alternate for the regional competition if one of the other two students is unable to participate.

Congratulations to each of the campus Spanish Spelling Bee Winners who competed in the District competition this year.

American Banker, Civic Leader, and Four-Term Mayor of Dallas - R. L. Thornton

by Dr. Ken Bridges

Sometimes the men dismissed for their failures early in life can become the greatest successes. The story of **R.L. Thornton** is the story of a man raised in poverty and with barely an eighth grade education became synonymous with the success of Dallas in the 1950s.

Robert Lee Thornton was born in 1880 in Hamilton County, just west of Waco. His parents were farmers. In 1887, the family had their land stolen from them in a title dispute. As a result, they lost absolutely everything and were left in deep poverty.

They moved to Ennis, just south of Dallas, where the young Thornton helped the family by picking cotton and taking whatever work he could find. As a result his education was sporadic, and he quit school after the eighth grade. He continued to work odd jobs until he was hired as a store clerk.

Determined to make something of his life, Thornton attempted to restart his education by taking a business course in Dallas. After one course, around 1904, he tried his hand at sales, becoming a traveling salesman in Oklahoma for a candy company. His success was lackluster, so he tried to start his own business. Thornton's first attempt, a stationery business, folded quickly. He quickly started a mortgage company, but it, too, failed.

Thornton tried again in 1916, starting a bank with two other partners. Thornton served as president of the Dallas County State Bank, later the Mercantile National Bank, for 30 years. The bank found early success by capitalizing on a new type of consumer loan for bankers – automobiles. America had fallen in love with the car by the 1920s, and Thornton became an immense success by becoming one of the first North Texas bankers to offer car loans. Soon, other businesses were asking him to serve as an executive with their businesses as well.

By 1933, the business community honored him by naming him president of the Dallas Chamber of Commerce. He was intensely

active in Dallas civic affairs, serving with many charitable organizations. He helped bring the 1936 Texas Centennial Exposition to Dallas's Fair Park area, adding permanent exhibits to the area. From 1945 to 1960, he also served as president of the Texas State Fair.

In 1952, at the age of 72, Thornton was ready for new adventure as he ran for Dallas mayor. Already known as "Mr. Dallas" for his many accomplishments for the city, he won the election easily.

Though Dallas and neighboring Fort Worth were intense business rivals at this time, the need for a modern highway connecting the business districts of the two growing cities was clear. Thornton pushed through the Dallas-Fort Worth Turnpike, which later became Interstate 30, which opened in 1957 and became an immediate success.

In 1957, the city also completed the new Dallas Memorial Auditorium, which eventually became one of the largest convention centers in the world. The city completed important renovations and expansions to Love Field.

Housing construction boomed while business leaders unveiled a string of ambitious development plans. "Keep the dirt flying" became Thornton's slogan for an ambitious city. Dallas's population increased dramatically, from just over 450,000 at the beginning of his term to nearly 700,000 by 1961.

In 1960, at the age of 80, he declined to seek another term as mayor. He entered into a quiet retirement in 1961 before his death three years later.

Thornton today is perhaps best remembered in the North Texas area as the namesake for the R. L. Thornton Freeway, a stretch of Interstate 35 East through Dallas as well as the city's R.L. Thornton Elementary School.

IMMS Theatre Competition

(continued from page 1)

For the competition, eight students received honorable mention and eight students received positions in the all star cast.

Only two students from all schools combined received best performer, and IMMS Lion Theatre Jr. brought home both of those awards, which is a tremendous accomplishment.

The Irma Marsh Middle School Lion Theatre Jr. is under the direction of Melissa Davis.
