From Tarrant County Clerk's Office

## Free Rides for Primary Election Early Voting, Election Day

Throughout early voting and on Tuesday, March 1, Tarrant County voters can catch free rides to the polls on Trinity Metro, Arlington's Via and other transit services.

Riders can show their voter registration card or current Texas ID and ride for free during early voting now through Feb. 25 and on Election Day, March 1.

The transit services included in the program are Trinity Metro's **bus routes**, **ZIPZONE on-demand rideshare services**, **ACCESS paratransit**, plus **Tarrant County Transportation Services (TCTS)**, **Northeast Transportation Services (NETS)**, and Arlington's **Via** and **Handitran**.

To use **Trinity Metro ZIPZONE**, download the ZIPZONE app and book your ride. Free ZIPZONE rides will be offered to or from any identified voter center location within a zone. For questions about ZIPZONE or bus routes to your polling place, call Trinity Metro at 817-215-8600.

To use Via's on-demand service in Arlington, riders simply download Via's app and enter the address of a Vote Center within Via's service area or call 817-784-7382 to schedule a ride by phone. USE the promo code ARNVOTE22S.

Those who qualify and want to ride to vote on ACCESS, TCTS, NETS or Handitran should call the provider at least 48 hours ahead of the trip to schedule their free ride to any of the voting locations.

"We appreciate this partnership with the Tarrant County Commissioners Court to provide rides for voters," said Trinity Metro President/CEO Paul J Ballard. "Voting is an essential right, and we are happy to help riders travel to the polls."

Tarrant County has multiple **locations for early voting** and a list of **locations for Election Day**.

From the North Central Texas Council of Governments

## Virtual Public Input Meetings on the 2021-2026 Regional Comprehensive Economic Development Strategy

The North Central Texas Council of Governments (NCTCOG), in conjunction with the Region's Comprehensive Economic Development Strategy Committee, has updated the **current** 2016-2021 Comprehensive Economic Development Strategy (CEDS) for the North Central Texas region. A CEDS is designed to bring together the public and private sectors in the creation of an economic roadmap to diversify and strengthen regional economies. The CEDS outlines an approach to regional growth and prosperity that builds on the region's strengths, emphasizes key regional industry clusters, and identifies economic development goals for the region.

The Region's Comprehensive Economic Development

Strategy Committee began work on the CEDS update in March 2021. The document was prepared under the direction of a committee of participants from across the region that included more than 160 representatives from local government, education, workforce development, economic development, chambers of commerce, and the private sector. We are now seeking further input and feedback on the document.

We invite North Texans to provide input on the 2021-2026 CEDS document.

• NCTCOG Website: A link to the CEDS and a link to provide input on the CEDS are posted on the website at [www.nctcog.org/nctedd/nctedd](http://www.nctcog.org/nctedd/nctedd).

*About the North Central Texas Council of Governments: NCTCOG is a voluntary association of local governments established in 1966 to assist local governments in planning for common needs, cooperating for mutual benefit and coordinating for sound regional development. NCTCOG's purpose is to strengthen both the individual and collective power of local governments and to help them recognize regional opportunities, eliminate unnecessary duplication and make joint decisions.*

*NCTCOG serves a 16-county region of North Central Texas, which is centered on the two urban centers of Dallas and Fort Worth. Currently, NCTCOG has 238 member governments including 16 counties, 169 cities, 22 school districts and 31 special districts. For more information on the NCTCOG Economic Development Office, visit <https://www.nctcog.org/nctedd/nctedd>*

From the Tarrant Regional Water District

# TRWD Flyfest Returns to the Trinity River in Fort Worth March 12

TRWD Flyfest, an annual celebration of urban trout fishing, will be held on March 12 from 9 a.m. to 5 p.m. This family-friendly event, sponsored by the Tarrant Regional Water District (TRWD), will take place in and along the Clear Fork of the Trinity in southwest Fort Worth. Admission is free.

To create an optimal experience for anglers, TRWD will stock the river with 1,800 lbs. of rainbow trout prior to the event just north of Bryant Irvin Road.

Whether you are an experienced angler or have never touched a fly rod, this fun-filled event will have something to hook the whole family. Two of the event's biggest attractions are the Orvis Big Trout Contest and the Coffee & Caddis Fly Tying Area. Anglers will compete in the contest to catch the biggest trout or the most fish in the time allotted. Patrons can also learn new tricks and methods from professional fly tiers. Open fishing for fly and bait fishing will also be available in designated areas.

The event will also feature live music from local band Chattahoochee Music and many children's activities, including a mini stocked tank for fishing and a rock climb-

ing wall. Food trucks, wine and craft beer and many outdoor vendors will make it a fun day for everyone!

Parking will be available for \$5 at the River Park Trailhead, 3100 Bryant Irvin Road, on the day of the event. For a parking map and other important event information, visit [www.trwdflyfest.com](http://www.trwdflyfest.com).

**CAROLYN  
GILMORE**

REPUBLICAN FOR CONSTABLE PRECINCT 4

**C**arolyn Gilmore is a Tarrant County native, veteran police officer, and lifelong conservative who has devoted her life to making our community a better place to live, work, and raise a family. As Chief of the Sansom Park Police Department, and a 23-year veteran of the Fort Worth Police, Carolyn has earned a reputation as a tough-but-fair officer focused on protecting families from violent criminals.

Carolyn served as the Chair of Fort Worth Cops for Kids and started the Student Advisory Committee at Joy James Elementary, where she encouraged children, and their families, to work with police and find ways to positively impact their community.

Carolyn lives in Fort Worth with her husband, Raymond, a retired Fort Worth Police officer. The Gilmore's are members of Grace Baptist Church.

## CAROLYN'S CONSERVATIVE PRIORITIES

- ★ Keep Families Safe
- ★ Save Our Tax Dollars
- ★ Increase Transparency and Accountability
- ★ Strengthen Neighborhoods

# American Old West Lawman, Pat Garrett *by Dr. Ken Bridges*

**Pat Garrett** is another of the legendary figures of the Old West. He always had a taste for adventure and had a career as a distinguished law officer in a time when little law and order was to be found. Wherever Garrett went, trouble always seemed to follow.

Patrick Floyd Jarvis Garrett was born in Alabama in 1850 to a farming family. In 1853, they moved to northern Louisiana when his father bought a plantation there. However, everything fell apart after the Civil War. His father went bankrupt, his mother died in 1867, and his father died the following year. Barely 18 and with nothing left to hold him back, Garrett rode west into Texas.

For the next several years, Garrett made a modest living as a buffalo hunter in Texas before finding work on a ranch in Lincoln County in the center of the New Mexico Territory. He eventually came to own a local ranch of his own.

However, tensions between rival ranching factions exploded into the notorious Lincoln County War in 1878. A series of gunfights across the area left perhaps two dozen dead. The chaos thrust Garrett out of the shadows and into the middle of the

bloodshed.

By 1880, residents enraged over the continuing violence pushed Sheriff George Kimball out of office in favor of Garrett by a nearly two-to-one margin. The chaos continued as Garrett and his posse captured William Bonney, more famously known as gunman Billy the Kid, in December after a shootout at Stinking Springs. Four months later, Billy the Kid escaped just after his conviction for murder. Garrett would encounter him again in July 1881, apparently killing him in a nighttime shootout. However, questions over the details persisted with some suggesting that Billy the Kid escaped and never died at all. Garrett, however, killed several men in gunfights throughout his life including his years as a lawman.

Nevertheless, this incident ended the Lincoln County War once and for all. Garrett became known across the country for his role. However, he stepped down from his position as sheriff in 1882 and returned to Texas. While Billy the Kid grew into folk hero status, Garrett attempted to publicize his own version of events with his book *The Authentic Life of Billy, The Kid*, which became one of the most famous accounts of the outlaw's life and death.

Garrett continued his career in law enforcement. In 1884, Garrett was made a Texas Ranger but resigned his appointment a year later. He attempted an irrigation business in West Texas, which failed miserably. By 1892, he settled in Uvalde on the Rio Grande to resume ranching.

In 1896, he was appointed sheriff of Dona Ana County in New Mexico after a prominent citizen and his son disappeared in the desert. Garrett pinpointed four men for murder, and he and his deputies killed two of the suspects in a blaze of gunfire in 1898. The remaining two surrendered several months later.

In 1901, President Theodore Roosevelt

appointed Garrett as the US customs collector for El Paso. However, after a fistfight with one employee and a number of political missteps, he was replaced by 1906.

Garrett, however, had massive debts by this time and lost his Uvalde ranch. He and his son attempted to lease a ranch in New Mexico, but a dispute erupted with the owner, Jesse Brazel, and his partners about the terms. In March 1908, Garrett rode out to meet with Brazel to discuss the matter further when he was shot dead. Brazel confessed to the shooting but was acquitted of murder.

In the years after Garrett's death, his character appeared in many novels and movies, including the first Billy the Kid movie in 1925. Controversy and debate surrounding the life of Garrett only grew after his death.

A small memorial marking the spot of his death near what is now US 70 was placed by his son in the 1930s.

*From the City of White Settlement*

## Tarrant Regional Water District Offers Free Backyard Composting Class

The Tarrant Regional Water District and Keep White Settlement Beautiful will host a free Backyard Composting class at the WS Recreation Center on Saturday, March 12 from 9 to 10 a.m.

Composting at home can reduce waste sent to the landfill and create soil amendments for a healthy landscape.

This class is free but **registration is required** to secure your spot.

From the Alzheimer's Foundation of America

## Free Virtual Alzheimer's Educational Conference March 9

The Alzheimer's Foundation of America (AFA) will host a free virtual Alzheimer's educational conference for Texas residents on Wednesday, March 9, from 10:00 a.m. to 12:45 p.m. CST as part of its 2022 national Educating America Tour. The conference, which is free and open to everyone, will allow participants to learn from, and ask questions of, health and caregiving experts.

To register, go to [www.alzfdn.org/tour](http://www.alzfdn.org/tour).

Sessions during the AFA virtual conference will include:

- **Alzheimer's Disease: In Search of a Cure** - George Perry, Ph.D., will provide an overview of Alzheimer's disease, an update on Alzheimer's research and clinical trials, and what we can expect on the horizon. Dr. Perry is a Professor of Biology and the Semmes Foundation Distinguished University Chair in Neurobiology at the University of Texas at San Antonio. He is also a member of AFA's Medical, Scientific and Memory Screening Advisory Board.

- **Navigating Challenging Behaviors Associated with Dementia** – Dr. Laura Novak, OTD, OTR, BCG, will teach caregivers how to identify the underlying causes of challenging behaviors associated with dementia. She will also guide them as to how to apply targeted strategies to their specific situations in order to address these care challenges. Dr. Novak is an Occupational Therapist specializing in gerontology. She is Assistant Professor, Department of Occupational Therapy at the University of Texas Health Science Center at San Antonio (UT Health San Antonio).

- **Healing Trauma in Caregivers of Persons with Advanced Dementia** – Alzheimer's disease not only affects those living with the disease but it impacts the caregivers as well. They often experience trauma and caregiver burnout. Catherine C. Stansbury, LMSW, EMDR, PAC, will discuss trauma therapy for caregivers and how it assists the brain's natural healing process. Catherine is an EMDR Trained Therapist, PAC Certified Independent Consultant, Certified Practitioner of The Myers & Briggs Foundation, and a Social Worker and Therapist in Austin.

There will also be a photo slideshow, presented by Carmen Davailus, a retired nurse practitioner; visual artist; and Founder/President of Doggies for Dementia Foundation. She inspires people through photography and storytelling and captures family memories and raises awareness for Alzheimer's disease and related dementias.

For more information or to register, go to [www.alzfdn.org/tour](http://www.alzfdn.org/tour). Those who cannot participate in the virtual conference or have immediate questions about Alzheimer's disease can connect with licensed social workers seven days a week through AFA's National Toll-Free Helpline by calling 866-232-

8484 or web chatting at [www.alzfdn.org](http://www.alzfdn.org) by clicking the blue and white chat icon in the right-hand corner of the page. The web chat feature is available in more than 90 languages.

### About Alzheimer's Foundation of America (AFA)

*The Alzheimer's Foundation of America is a non-profit organization whose mission is to provide support, services and education to individuals, families and caregivers affected by Alzheimer's disease and related dementias nationwide and to fund research for better treatment and a cure.*

*Its services include a National Toll-Free Helpline (866-232-8484) staffed by licensed social workers, the National Memory Screening Program, educational conferences and materials, and "AFA Partners in Care" dementia care training for healthcare professionals.*

*For more information about AFA, call 866-232-8484, visit [www.alzfdn.org](http://www.alzfdn.org), follow us on Twitter or connect with us on Facebook, Instagram or LinkedIn. AFA has earned Charity Navigator's top 4-star rating for seven consecutive years.*

# Mary Isham Keith Chapter Presents DAR Good Citizen Awards

**Grace Kight**, a senior at Fort Worth Christian School and daughter of Kyle and Sarah Kight, was selected winner of the DAR Good Citizen and Scholarship Award.

The prestigious DAR Good Citizen and Scholarship Awards were presented by Mary Isham Keith Chapter, Daughters of the American Revolution to two outstanding FWISD students at a January brunch at Ridglea Country Club. This award recognizes outstanding young people who exhibit the qualities of good citizenship (dependability, service, leadership and patriotism) in their homes, schools, and communities.

DAR Good Citizens unable to attend the brunch were: Gerrit Van De Kieft from Bethesda Christian School, Lauren Williamson from Nolan Catholic High School, Chasten Musenda from Paschal High School, and

**Laila Grubbs**, a senior at All Saints Episcopal School and daughter of Mark and DeEtta Grubbs, was chosen as her school's DAR Good Citizen.

Shanta Stiles from Southwest High.

Each school's DAR Good Citizen receives a DAR Good Citizen pin, certificate and wallet recognition card. This student is then eligible to enter the DAR Good Citizens Scholarship Contest. If they win at the chapter level, they are eligible to enter the state, regional and national contests.

For information about DAR membership and programs, call 817-475-9622.

**VIRTUAL PUBLIC MEETING NOTICE**  
**FM 1187**  
 From Bella Flora Dr (at the Parker County Line) to Chisholm Trail Pkwy  
 CSJs: 1330-01-069, 2291-02-009  
 Tarrant County, Texas

The Texas Department of Transportation (TxDOT) is proposing to reconstruct and widen FM 1187 from Bella Flora Dr (at the Parker County Line) to Chisholm Trail Pkwy in Tarrant County, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project. The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Tuesday, March 15, 2022, at 5 p.m. To access the virtual public meeting, go to the following web address at the date and time indicated above: [www.txdot.gov](http://www.txdot.gov) keyword search "FM 1187 West of Chisholm Trail Parkway." Project maps and materials will also be available online. Please note that the presentation will not be available on the website until the time and date listed above. Following the virtual public meeting, the presentation will remain available for viewing at the web address indicated above until Wednesday, March 30, 2022, at 11:59 p.m. If you do not have internet access, you may call Jim Lang, P.E., at (817) 370-6760 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Formal comments may be provided by mail or email as explained below.

The proposed project would reconstruct and widen FM 1187 from an existing two-lane roadway to a four-lane roadway with a curbed grassy center median for the purpose of enhancing safety and improving capacity and connectivity. The project also includes the addition of shared-use paths in each direction for bicycle and pedestrian accommodation, intersection improvements (with possible re-alignment of the intersections at US 377 involving the analysis of three alternatives), improvements to the at-grade Fort Worth & Western Railroad crossing (including a possible overpass alternative), and drainage improvements. Any environmental maps, drawings showing the project location and design, and other information regarding the proposed project are available online at [www.txdot.gov](http://www.txdot.gov), keyword search "FM 1187 West of Chisholm Trail Parkway."

The proposed project would, subject to final design considerations, require additional right of way and potentially displace residences and non-residential structures. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT district office by calling Bill McCoy at (817) 370-6950.

Depending on the design alternative selected, the proposed project has the potential to impact property managed by the U.S. Army Corps of Engineers designated for recreation at Benbrook Lake. This property is managed as a public hunting and hiking facility and is protected under Section 4(f) of the Department of Transportation Act of 1966. If an alternative is selected which will impact this property, TxDOT will pursue a de minimus finding.

The proposed project would involve an action in a floodplain.

The virtual public meeting will be conducted in English and some materials will also be provided in Spanish. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Jim Lang, P.E. at (817) 370-6760 no later than 4 p.m., Wednesday, March 9, 2022. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Fort Worth District Office, 2501 SW Loop 820, Fort Worth, TX 76133. Written comments may also be submitted by email to [James.Lang@txdot.gov](mailto:James.Lang@txdot.gov). All comments must be received on or before Wednesday, March 30, 2022. Responses to comments received will be available online at [www.txdot.gov](http://www.txdot.gov), keyword search "FM 1187 West of Chisholm Trail Parkway", once they have been prepared.

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Jim Lang, P.E., TxDOT Project Manager, at (817) 370-6760 or [James.Lang@txdot.gov](mailto:James.Lang@txdot.gov).

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

**AVISO DE REUNIÓN PÚBLICA VIRTUAL**  
**FM 1187**  
 Desde Bella Flora Dr (en la línea del condado Parker) hasta Chisholm Trail Pkwy  
 CSJs: 1330-01-069, 2291-02-009  
 Condado de Tarrant, Texas

El Departamento de Transporte de Texas (TxDOT) está proponiendo reconstruir y ampliar la FM 1187 desde Bella Flora Dr (en la línea del condado de Parker) hasta Chisholm Trail Pkwy en el condado de Tarrant, Texas. Este aviso informa al público que TxDOT llevará a cabo una reunión pública virtual en línea sobre el proyecto propuesto. La reunión virtual consistirá en una presentación de video pregrabada e incluirá componentes de audio y visuales. La presentación se publicará en línea antes del martes 15 de marzo del 2022, a las 5 p.m. Para acceder a la reunión pública virtual, vaya a la siguiente dirección de internet en la fecha y hora indicadas anteriormente: [www.txdot.gov](http://www.txdot.gov) utilizando en la búsqueda de palabras clave "FM 1187 West of Chisholm Trail Parkway". Los mapas y materiales del proyecto también estarán disponibles en línea. Tenga en cuenta que la presentación no estará disponible en el sitio de internet hasta la hora y fecha indicadas anteriormente. Después de la reunión pública virtual, la presentación permanecerá disponible para su visualización en la dirección de internet indicada anteriormente hasta el miércoles 30 de marzo del 2022, a las 11:59 p.m. Si no tiene acceso a internet, puede llamar a Jim Lang, P.E., al (817) 370-6760 entre las horas de 8 a.m. y 5 p.m., de lunes a viernes, para hacer preguntas y acceder a los materiales del proyecto durante el desarrollo del proyecto. Los comentarios formales se podrán proporcionar por correo postal o correo electrónico como se explica a continuación.

El proyecto propuesto reconstruiría y ampliaría la FM 1187 de una carretera existente de dos carriles a una carretera de cuatro carriles con una mediana central cubierta de hierba con el propósito de mejorar la seguridad, capacidad y conectividad. El proyecto también incluye la adición de caminos de uso compartido en cada dirección para el alojamiento de bicicletas y peatones, al igual que mejoras en las intersecciones (con una posible realineación de las intersecciones en la US 377 que implica el análisis de tres alternativas), también mejoras al cruce de Fort Worth & Western Railroad a nivel (incluyendo una posible alternativa de paso elevado) y también mejoras en el drenaje. Cualquier mapa ambiental, dibujos que muestren la ubicación y el diseño del proyecto, y otra información sobre el proyecto propuesto estarán disponibles en línea en [www.txdot.gov](http://www.txdot.gov) utilizando la búsqueda de palabras clave "FM 1187 West of Chisholm Trail Parkway."

El proyecto propuesto, está sujeto a consideraciones finales de diseño, requeriría un derecho de paso adicional y podría desplazar residencias y estructuras no residenciales. La asistencia para la reubicación está disponible para las personas y empresas desplazadas. La información sobre el Programa de Asistencia de Reubicación de TxDOT y los servicios y beneficios para los desplazados y otros propietarios afectados, así como información sobre el calendario tentativo para la adquisición y construcción del derecho de paso, se puede obtener en la oficina del distrito de TxDOT llamando a Bill McCoy al (817) 370-6950.

Dependiendo de la alternativa de diseño seleccionado, el proyecto propuesto tiene el potencial de afectar la propiedad administrada por el Cuerpo de Ingenieros del Ejército de los Estados Unidos designada para la recreación en Benbrook Lake. Esta propiedad se administra como una instalación pública de caza y senderismo y está protegida por la Sección 4 (f) de la Ley del Departamento de Transporte de 1966. Si se selecciona la alternativa que afectará a esta propiedad, TxDOT buscará un hallazgo de minimis.

El proyecto propuesto implicaría una acción en una llanura de inundación.

La reunión pública virtual se llevará a cabo en inglés y algunos materiales también se proporcionarán en español. Si necesita un intérprete o traductor de documentos porque el inglés no es su idioma principal o tiene dificultades para comunicarse de manera efectiva en inglés, se le proporcionará uno. Si tiene una discapacidad y necesita asistencia, se pueden hacer arreglos especiales para satisfacer la mayoría de las necesidades. Si necesita servicios de interpretación o traducción o si es una persona con una discapacidad que requiere una adaptación para asistir y participar en la reunión pública virtual, comuníquese con Jim Lang, P.E. al (817) 370-6760 a más tardar a las 4 p.m., del miércoles 9 de marzo del 2022. Tenga en cuenta que se requiere un aviso previo ya que algunos servicios y adaptaciones pueden requerir tiempo para que el Departamento de Transporte de Texas lo organice.

Se solicitan comentarios por escrito del público con respecto al proyecto propuesto y estos podrán ser enviados por correo postal a la Oficina del Distrito de TxDOT Fort Worth, 2501 SW Loop 820, Fort Worth, TX 76133. Los comentarios por escrito también podrán ser enviados por correo electrónico a [James.Lang@txdot.gov](mailto:James.Lang@txdot.gov). Todos los comentarios deberán ser recibidos el miércoles 30 de marzo del 2022 o antes. Las respuestas a los comentarios recibidos estarán disponibles en línea en [www.txdot.gov](http://www.txdot.gov), utilizando la búsqueda de palabras clave "FM 1187 West of Chisholm Trail Parkway", una vez que se hayan preparado.

Si tiene alguna pregunta o inquietud general con respecto al proyecto propuesto o la reunión virtual, comuníquese con Jim Lang, P.E., Gerente de Proyecto de TxDOT, al (817) 370-6760 o [James.Lang@txdot.gov](mailto:James.Lang@txdot.gov).

La revisión ambiental, consultas y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo, o han sido realizadas por TxDOT de conformidad con la reglamentación 23 U.S.C. 327 y un Memorando de Entendimiento con fecha de 9 de diciembre del 2019, y ejecutado por FHWA y TxDOT.
