A SMALL TEAM CAN MAKE BIG CHANGES

Volunteer Opportunity

YMCA Camp Carter Trail Maintenance Saturday, October 3rd from 9am-12pm

Nature is trying to reclaim ground on our property and we need your help! This is a family-friendly event where everyone is welcome for a few hours to keep Camp Carter looking it's best. We will be working outside trimming trails and cleaning up down debris. You can make a difference by volunteering to help YMCA Camp Carter! Hope to see you at camp!

- Wear appropriate clothing for clearing brush
- Bring gloves if you have some (greenbriar is everywhere)
- Rakes and clippers would be helpful to bring if you have them
