

# WHAT'S GOING ON IN RIVER OAKS?

## WATER SYSTEM RETURNS TO COMPLIANCE

The **City of River Oaks** (PWSID: 2200069) has been notified by the Texas Commission on Environmental Quality (TCEQ) **that our drinking water now meets the standards for Total Trihalomethanes (TTHM) and Total Haloacetic Acid (HAA5)** that was found previously to be in violation in that this water system exceeded the maximum contaminant level (MCL).

## PUBLIC HEARINGS SCHEDULED FOR PROPOSED AMENDMENTS TO ZONING ORDINANCE

Public Hearings have been scheduled first before the Planning and Zoning Commission on July 17, 2017 in the City Council Chambers located at 4900 River Oaks Blvd. at 6:30 P.M. and finally before the City Council on July 25, 2017 at 7:00 P.M. in order to receive public comments regarding the proposed amendments to the Zoning Ordinance as follows:

1. Driveways/hard Surface Parking/Yard Parking/Driveway Bordering Requirements;
2. Development in R-4 Single-Family Zoning Districts that reduces depth requirements on corner lots;
3. Masonry requirements for new Construction in both Commercial and Residential zoning districts;
4. Requirement that 2-car garages will be required in all new residential housing construction.

*For more information please contact the zoning administrator at 817-626-5421 extension 324.*
