Residential Winter Sewer Averaging

Each year the City of River Oaks averages the water consumption of the December, January, and February billing periods to recalculate sewer charges. These months are used because typically residents do not have a high outdoor water demand and are considered to be the lowest overall water use. The new winter sewer average goes into effect on the March billing and that will be the new monthly sewer charge for the next twelve months.

**The City of River Oaks offices
will be closed on 12/14/2022
from 11am - 1pm
for a staff holiday party.**
