

## Public Works Press Release

The City of River Oaks will commence construction on May 7, 2018 for major improvements to their sanitary sewer collection system. These improvements will address the replacement of the existing old sanitary sewer collection lines throughout the City. This first phase of construction will consist of approximately 2,246 linear feet of 12 inch diameter sewer lines, 37,353 linear feet of 8 inch diameter sewer line, 661 individual sewer services and 113 individual sewer manholes.

IPR SOUTH CENTRAL LLC. was awarded the bid. From the pre-construction meeting; two TV Inspection crews will start inspecting the underground sewers for sewer tap locations and any unanticipated obstacles. The inspection crews will begin April 27, 2018 ahead of the construction crews. Two IPR construction crews will move in with temporary yard offices and materials the week of April 30 thru May 5, 2018.

One Crew will begin construction on Nancy Ln. while the second Crew will start construction on White Oak Ln. **NOTE: Residents will receive door notices from IPR prior to the construction beginning in their area.**
