

Date & Time: To be determined

5300 Blackstone Dr.
River Oaks, TX 76114

Trap-Neuter- Vaccinate- Return (TNVR)

Do you feed a colony of community cats in your area? Want to learn more on how to prevent them from multiplying?

River Oaks is wanting to gather community input and volunteers to help control the community cat population within the city. There will be a Q&A as well as an opportunity to speak with experienced trappers on how this process will work. Demonstrations will also be performed.
