

AUSTIN – The Texas Department of Public Safety (DPS) is responding to Texas Governor Greg Abbott’s directive this week to work with local partners and federal intelligence agencies on heightened public safety measures in light of the recent attacks against Israel.

The department encourages Texans to remain vigilant at all times and report any suspicious activity via [iWatchTexas](#). The iWatchTexas program is a critical resource for reporting suspicious activity in communities across the state in order to help prevent dangerous attacks. Tips can be reported via the website, the free iOS or Android mobile app or by calling 844-643-2251. **All reports are confidential.**

**Remember, iWatchTexas is not for emergencies. If there is an emergency, call 911 immediately.**
