# CASTLEBERRY ISD EDUCATION FOUNDATION

5228 Ohio Garden Road, Fort Worth, Texas 76114

Greetings,

Castleberry ISD Education Foundation is hosting our second annual gala, *An Evening for Education*, on Friday, April 12, 2019. The efforts of the Foundation and their fundraising events will support Castleberry ISD which employs 535 staff members consisting of teachers, administrators, and support staff committed to providing a high quality learning environment for the approximately 3,800 students enrolled in our district.

The district is located five miles west of downtown Fort Worth, in a densely populated community covering an area of approximately 5.438 square miles. The district includes the City of River Oaks (pop. 7,574), a large portion of Sansom Park (pop. 4,776), and a small portion of the City of Fort Worth. Castleberry ISD is bound on the west and the south by the Trinity River, on the east by Fort Worth, and the north by Lake Worth.

We ask you to consider supporting our cause with a monetary donation. Your donation will enable teachers to build upon innovative instructional strategies and resources in order to enhance the learning environment for their students. In addition, your generous contribution will be acknowledged in the Gala program as well as featured on our Foundation website at [www.cisd.foundation.org](http://www.cisd.foundation.org).

Donations received during the Foundation's previous fundraising endeavors have enabled the Foundation to provide a class set of Dell Chromebooks, a school-wide software subscription to BrainPop, and resources to further enrich the elementary STEAM Program.
