## RED CROSS SMOKE ALARM PROGRAM

If you do not currently have smoke alarms or if you know someone who is in need of smoke alarms at their home. You may contact River Oaks Fire Marshal office at 817-626-3786 ext. 312. Email [ssanders@riveroakstx.com](mailto:ssanders@riveroakstx.com). We will work with the Red Cross and have someone come out to install smoke alarms in homes. Someone will need to let us inside the homes.
